

Outside School Hours Care Newsletter

St Christopher's Glen Waverley

Term 1 February 2026

Dear families and children,

We are already into our third week, and the children have been busy enjoying the activities. Welcome to our preps who are enjoying their time at OSHC making new friends. The children participated in a fire drill, where they learned about fire safety and how to respond calmly and safely. They listened carefully and followed instructions brilliantly. Our selfie portrait activity was a great hit! The children enjoyed taking their own photos and writing special details about themselves. It was a wonderful way to encourage independence, creativity, and self-expression. We are proud to display their portraits on our wall for everyone to view.

Please make sure that you have enrolled your child/children and have updated your enrollment forms. All medical Action plans need to be uploaded with a colored photo of your child with the doctor's signature on it, and medication needs to be what the doctor has prescribed on the Action plan. Your child will not be able to attend OSHC if they do not have an updated action plan and medication on the day. Thanks for your understanding.

Reminder: The school has a curriculum day on the 10/3/2026. Please make a booking online. If we do not have enough numbers, we will not run a program.

Patricia Costanzo – Coordinator Service leader

Important Dates

- Shrove Tuesday
17/3/2026
- Lunar New year
- Curriculum Day
10/3/2026
