REALTIME LEARNING

Are you a student in Year 5 to 8?

STEM TINKERING WORKSHOPS

• Are you curious about coding, 3D printing, and AR?
• Maybe you are fascinated about how machines work?
• If so, you may like to participate in 5 x three-hour workshops hosted at BOSCH headquarters in Melbourne

RTL in partnership with BOSCH, Robogals Melbourne, and Robogals Monash will host these workshops in an effort to improve student outcomes in STEM.

When: Fortnightly Wednesday workshops as per the schedule on the left. 5.30pm to 8.30pm.

Where: BOSCH AUSTRALIA. Clayton.

Cost: 5 X $100 ($500) in total for workshops

Places limited to 12 per workshop

$300
40% off for students enrolled in Schools that partner with RTL Adopt an Engineer Program.
