Italian Tour 21 November to 4 December 2022 - Payment Timeline

Carissimi Parents/guardians and students,

I hope that you agree that the proposed itinerary for this year's Italian Tour is an exciting one! I trust that the information given by 'Vita Italian Tours' and St. John's has explained in more detail what will be involved. Feel free, of course, at any time to contact me for more explanations as they may arise.

We currently have 10 students who are part of the original group who have been waiting to go to Italy for approximately two years.

At this stage, the total package cost for any new student is **\$6,702.00** (See the proposed itinerary for details).

To reduce the chance of a higher airline ticket cost increase due to fluctuating prices and due to a shorter timeline than usual, we need to confirm the number of participants as quickly as possible.

We request that **a deposit of \$1,000 (not refundable after Monday 30 May 2022)** be paid to the **Administration School Office by Wednesday 11 May 2022.**

Please call 8793 2000 to facilitate this.

St. John's Regional College reserves the right to decline an application for the following:

- breach of the Code of Student Behaviour
- academic performance
- school fee financial obligations (payment of school fees for participating students must be up to date at the time of selection or agreed payment arrangements in place)

We have been advised by Vita Italian Tours that the overall cost for any new students and current group of 10 students will change if any students from the original group decide not to go on the Tour.
