

Lilydale High School Nepal Expedition November 2020

Parent Information Night - Next Wednesday 14th August 2019 6.30pm - 7.15pm at Lilydale High School, Theatre

Dear Parents and Guardians,

It is with much excitement that I introduce a unique and life-changing opportunity for your child at the end of 2020.

Lilydale is proud to announce the launch of our very first Leadership and Service Expedition, to Nepal! Set for a November 2020 departure, this transformational three-week journey will take a group of inspiring Lilydale students on the trip of a lifetime.

Industry specialists, Antipodeans will run the program. We are very much hoping to see a large group of young students take up this exciting challenge. For three weeks, the students will lead their way around Nepal, partake in an incredible, sustainable community project, working and living with local Nepalese families, trek the awe-inspiring Himalayas, surrounded by 8,000m tall mountains, have many adventures in Kathmandu and surrounding towns, and take in all that Nepal has to offer.

We strongly recommend that you put Next Wednesday 14th August at 6.30pm in your calendars to attend our Parent and Student Information evening, to be held at the school, so as not to miss out on what could be a fantastic opportunity for your child.

Please RSVP for the night by simply clicking the link below.
