FANTASY

Bloodmarked Bk 2 Legendborn Cycle

Tracy Deonn ISBN 9781398516779 Paperback \$ 19.99

The shadows have risen, and the line is law.

All Bree wanted was to uncover the truth behind her mother's death. So she infiltrated the Legendborn Order, a secret society descended from King Arthur's knights – only to discover her own ancestral power. Now, Bree has become someone new: A Medium. A Bloodcrafter. A Scion.

But the ancient war between demons and the Order is rising to a deadly peak. And Nick, the Legendborn boy Bree fell in love with, has been kidnapped. When the Regents reveal they will do whatever it takes to hide the war, Bree and her friends must go on the run to rescue Nick themselves. But enemies are everywhere, Bree's own powers are unpredictable and dangerous, and she can't escape her growing attraction to Selwyn, the mage sworn to protect Nick until death. If Bree has any hope of saving herself and the people she loves, she must learn to control her powers from the ancestors who wielded them first – without losing herself in the process.

The powerful sequel to the instant New York Times bestselling and award-winning Legendborn. Perfect for fans of Cassandra Clare, Leigh Bardugo, Sarah J. Maas and Cinderella is Dead.

Strike the Zither

Joan He ISBN 9781911231417 Paperback \$ 24.99

The year is 414 of the Xin Dynasty and chaos abounds. A puppet empress is on the throne. The realm has fractured and three warlordesses each hope to claim the continent for herself. But Zephyr knows it's no contest.

Orphaned at a young age, Zephyr took control of her fate by becoming the best strategist in the land. Now she serves under the most honourable lordess, the last one still loyal to the empress. But honour is double-edged in a war where one must betray or be betrayed, and it's up to Zephyr to infiltrate a rival camp when their survival hinges on it. There is more than one enemy, however – and not all of them are human. Can Zephyr finally overcome her fate as written by the gods?

Strike the Zither is a brilliant, action-packed YA/crossover fantasy about found family, rivals and identity, in which Joan He reimagines Three Kingdoms, a classic from Chinese literature, with new female agency.

Whispering Dark

Kelly Andrew ISBN 9781473234857 Paperback \$ 22.99

Delaney Meyers-Petrov is tired of being seen as fragile just because she's Deaf.

So, when she's accepted into a prestigious program at Godbole University that trains students to slip between parallel worlds, she's excited for the chance to prove herself. But her semester gets off to a rocky start when she has an awkward encounter with a pretentious upperclassman, Colton Price, whom she has every intention of keeping her distance from.

Colton has been ordered to keep far away from the new girl, and the voices that call to her from the shadows. But the pull of her proves impossible to ignore, and he can't help but be fascinated by her unusual talents.

After a fellow student turns up dead, she and Colton are forced to form a tenuous alliance, plummeting down a rabbit hole of deeply buried university secrets. They soon find themselves up against something old and nameless, an enemy that threatens to tear them – and their forbidden partnership – apart.

The Ninth House meets The Atlas Six in the enemies-to-lovers dark academia debut.

Review:

With fantastic descriptions made even better by spectacularly written characters, Princess of Souls is an exciting take on the enemies-to-lovers trope. A thrilling plot from beginning to end that fully immerses you into the world of destiny, magic and revenge. This book is definitely a hard one to put down.

Princess of Souls

Alexandra Christo

ISBN 9781471411991 Paperback \$ 19.99

For sixteen years, Selestra has been trapped in her tower on the Floating Mountain, preparing to take her mother's place as the King's Witch, who foretells deaths in the Festival of Predictions. Outrunning your fate earns a wish and the chance to steal the King's immortality. But die and your soul is forfeit. And though thousands have tried, nobody has ever beaten death. A soldier in the King's army, Nox is an unlikely candidate for the Festival, but, driven by revenge, he is determined to steal the King's immortality and kill the entirety of his court, starting with Selestra. Yet when Selestra touches Nox in her very first prediction, their fates become entwined, and death seeks to take both their souls. Only by working together can they survive long enough to escape the dark fate and the immortal King that now hunts them. A feast of storytelling, featuring breathtaking journeys, nail-biting battles and powerful magic. *A brand-new fantasy adventure about a young witch groomed to steal souls for an immortal king and the reckless, rebellious boy to whom her fate is tied.*

Cursed Bk 2 Gilded**Marissa Meyer****ISBN 9781922458926 Paperback \$ 24.99**

Serilda and Gild attempt to break the curses that tether their spirits to Adalheid's haunted castle before the Endless Moon, when the Erking means to capture one of the seven gods and make a wish to return his lover, Perchta, from the underworld.

But he doesn't want just one god - he wants to capture all seven, and force them to bring down the veil that keeps the Dark Ones separate from the land of the mortals. Serilda and Gild must try to thwart his plans, all while solving the mystery of Gild's forgotten name, freeing his younger sister who is trapped inside Gravenstone Castle, and trying to protect their unborn child.

Romance, adventure, and Serilda's journey to finding her power as a woman, a mother, and a partner make this a retelling of Rumpelstiltskin that Meyer fans - old and new - will treasure.

**Atlas Paradox Bk 2 Atlas****Olivia Blake****ISBN 9781529095319 Paperback \$ 34.99**

Inside the Alexandrian Society alliances will be tested, hearts will be broken and all must pick a side. Six magicians were offered the opportunity of a lifetime. Five are now members of the Society. And two paths lie before them.

In this thrilling next instalment, the secret society of Alexandrians is unmasked. Its newest recruits realize the institute is capable of raw, world-changing power. It's also headed by a man with plans to change life as we know it - and these are already under way. But the cost of this knowledge is as high as the price of power, and each initiate must choose which faction to follow. Yet as events gather momentum and dangers multiply, which of their alliances will hold? Can friendships hold true and are enemies quite what they seem?

Discover The Atlas Paradox, the electric dark academia sequel to viral sensation The Atlas Six.

**Cruel Illusions****Margie Fuston****ISBN 9781399711357 Paperback \$ 22.99**

Ever since a vampire murdered her mother, Ava has been determined to get revenge. This all-encompassing drive has given her the fuel she needed to survive foster home after foster home. But it's been ten years since anyone's seen a vampire, and Ava has lost hope that she'll ever find one... until she stumbles across a hidden magic show where she witnesses impossible illusions. The magicians may not be the bloodsuckers she's hunting, but Ava is convinced something supernatural is at play, so she sneaks backstage and catches them in acts they can't explain. But they've been waiting for her. The magicians reveal they're part of an ancient secret society with true magic, and Ava has the same power in her blood that they do. If she joins them, they promise to teach her the skills she needs to hunt vampires and avenge her mother. But there's a catch: if she wants to keep the power they offer, she needs to prove she's worthy of it. And to do so, she must put on the performance of her life in a sinister and dangerous competition where illusion and reality blur, and the stakes are deadly.

Stephanie Garber Caraval meets Buffy the Vampire Slayer in this deliciously dark young adult fantasy about a girl who makes a deal with a magical secret society to enter a potentially deadly competition for the chance to avenge her mother's death.

**Ones We Burn****Rebecca Mix****ISBN 9781399706223 Paperback \$ 22.99**

I am the monster. I am the shield. I am the knife in the dark.

Ranka is tired of death. All she wants now is to be left alone, living out her days in Witchik's wild north with the coven that raised her, attempting to forget the horrors of her past.

But when she is named Bloodwinn, the next treaty bride to the human kingdom of Isodal, her coven sends her south with a single directive: kill him. Easy enough, for a blood-witch whose magic compels her to kill.

Except the prince is gentle, kind, and terrified of her. He doesn't want to marry Ranka; he doesn't want to be king at all. And it's his sister - the wickedly smart, infuriatingly beautiful Princess Aramis - who seems to be real threat.

But when witches start turning up dead, murdered by a mysterious, magical plague, Aramis makes Ranka an offer: help her develop a cure, and in return, she'll teach Ranka to contain her deadly magic. But as the coup draws nearer and the plague spreads, Ranka is forced to question everything she thought she knew about her power, her past, and who she's meant to fight for.

Soon, she will have choose between the coven that raised her - and the princess who sees beyond the monster they shaped her to be. But as the bodies pile up, a monster may be exactly what they need.

THRILLER

When All the Girls are Sleeping**Emily Arsenault****ISBN 9780593180822 Paperback \$ 19.99**

Windham-Farnsworth Academy is beautiful, prestigious, historic - the perfect place for girls to prep for college. But every student knows all is not as it seems. Each January, the Winter Girl comes knocking. She's the spirit who haunts the old senior dorm, and this year is no exception.

For Haley, the timing couldn't be worse. This month marks the one-year anniversary of the death of her ex-best friend, Taylor.

When a disturbing video of Taylor surfaces, new questions about her death emerge. And it actually looks like Taylor was murdered.

Now, as Haley digs into what really happened last year, her search keeps bringing her back to the Winter Girl. Haley wants to believe ghosts aren't real, but the clues - and the dark school history she begins to uncover - say otherwise. Now it's up to her to solve the mystery before history has a chance to repeat itself and another life is taken.

For fans of People Like Us and The Cheerleaders comes an all new psychological suspense novel about one girl's investigation into her friend's sudden death and the unsettling possibility that a killer is still on the loose.

**Friends Like These****Jennifer Lynn Alvarez****ISBN 9781534484979 Paperback \$ 19.99**

Tegan Sheffield's annual end-of-summer beach party is the only way to start their senior year. At least that's what Jake Healy tells his girlfriend Jessica Sanchez.

But when a video prank from the party goes viral and a body is discovered at the beach, Jake and Jessica find themselves at the centre of a national media storm and a police investigation.

It's a race to uncover the truth before the killer strikes again.

Twisted secrets that will have readers guessing with every flip of the page.

Perfect for fans of Gone Girl and Karen M. McManus.

**Good Girls Die First****Kathryn Foxfield****ISBN 9781761293566 Paperback \$ 19.99**

Mind games. Murder. Mayhem. How far would you go to survive the night?

Blackmail lures sixteen-year-old Ava to the derelict carnival on Portgrave Pier. She is one of ten teenagers, all with secrets they intend to protect whatever the cost. When fog and magic swallow the pier, the group find themselves cut off from the real world and from their morals.

As the teenagers turn on each other, Ava will have to face up to the secret that brought her to the pier and decide how far she's willing to go to survive.

**You Can Trust Me****Gina Blaxill ISBN 9780702312106 Paperback \$ 19.99**

Tragedy hits a teenage New Year's Party...

When Alana's best friend is found drowned in a pool, the forensic reports discover date-rage drug GHB in her blood. GHB from a drink Alana knows was meant for her. Despite the swirling rumours, the suspected group of boys seem untouchable.

To investigate, Alana allows herself to be pulled into their glittering orbit. But among shifting alliances, changing alibis and buried secrets, can she pinpoint which of the boys is responsible before she becomes their next target?

Perfect for fans of Holly Jackson, Karen McManus and Chelsea Pitcher, a bold feminist read with a pacy thriller plot that YA fans will love.

Carnegie-nominated author Gina Blaxill looks head-on at privilege, bias and sexual assault in a way that will resonate with young adults today.

Gleanings Stories from Arc of a Scythe Series

Neal Shusterman

ISBN 9781529509540 Paperback \$ 19.99

Storylines continue. Origin stories are revealed. And new Scythes emerge... There are still countless tales of the Scythedom to tell. Centuries passed between the Thunderhead cradling humanity and Scythe Goddard trying to turn it upside down. For years humans lived in a world without hunger, disease, or death with Scythes as the living instruments of population control.

Neal Shusterman – along with collaborators David Yoon, Jarrod Shusterman, Sofia Lapuente, Michael H. Payne, Michelle Knowlden, and Joelle Shusterman – returns to the world throughout the timeline of the Arc of a Scythe series. Discover secrets and histories of characters you've followed for three volumes and meet new heroes, new foes, and some figures in between.

Gleanings shows just how expansive, terrifying, and thrilling the world that began with Scythe truly is.

Catch up on the Arc of a Scythe Series

Scythe Bk 1 ISBN 9781406379242 Paperback \$ 19.99

In a world where disease, war and crime have been eliminated, the only way to die is to be randomly killed ("gleaned") by professional scythes. Citra and Rowan have been selected to be scythes' apprentices, and despite wanting nothing to do with the vocation, they must master the art of taking life, knowing that the consequence of failure could mean losing their own.

Review:

If You Could See the Sun features a girl struggling to pay her school fees who suddenly starts to turn invisible.

Trouble ensues!

I found the plot perfect - the fantasy, romance, and reality plotlines were beautifully intertwined and made for a refreshing read. The main character, Alice, is easily one of the best protagonists in YA fiction currently and her relationships with other characters are funny and heart-warming.

Overall, this book is a must-read. It has ignited my passion for reading again!"

If You Could See the Sun

Ann Liang ISBN 9781867265313 Paperback \$ 19.99

No secret is safe.

Alice Sun has always felt invisible at her elite Beijing international boarding school, where she's the only scholarship student in a sea of uber-wealthy classmates. But she has a plan: be top in the class, attend a prestigious university, secure a killer job, and finally lift her family out of poverty.

Then her parents drop a bomb - they can no longer afford her tuition, even with the scholarship. But that's the least of Alice's problems, because she has started uncontrollably turning invisible. As in completely, physically invisible.

Alice realises there's an upside to her strange new power - unparalleled access to the secrets of China's most rich and influential teens. Soon, Alice has a new plan: offer her invisibility services to find out what her classmates want to know - for a price. But between balancing schoolwork, a growing relationship with academic-rival-turned-business-partner Henry, and stealing secrets, things start to fall through the cracks. As the tasks escalate from petty scandals to actual crimes, Alice must decide if helping her family is worth losing her conscience - or even her life.

For All Time

Shanna Miles

Tamar is a musician, a warrior, a survivor.

Fayard? He's a pioneer, a hustler, a hopeless romantic.

Together, Tamar and Fayard have lived a thousand lives, seen the world build itself up from nothing only to tear itself down again in civil war. They've even watched humanity take to the stars.

But in each life one thing remains the same: their love and their fight to be together. One love story after another. Their only concern is they never get to see how their story ends.

Until now.

When they finally discover what it will take to break the cycle, will they be able to make the sacrifice?

The Sun Is Also a Star meets Outlander in this "unforgettable and artfully crafted romance" (Julie Murphy, #1 New York Times bestselling author of Dimples) about two teens who relive their tragic love story over and over until they uncover what they must do to change their fate.

This Is How We Fly

Anna Meriano

ISBN 9780593116890 Paperback \$ 19.99

17-year-old Ellen Lopez-Rourke has one muggy Houston summer left before college. She plans to spend every last moment with her two best friends before they go off to the opposite ends of Texas for school. But when Ellen is grounded for the entire summer, all her plans are thrown out the window.

Determined to do something with her time, Ellen convinces her parents to let her join the local muggle Quidditch team.

An all-gender, full-contact game, Quidditch isn't quite what Ellen expects.

Suddenly Ellen is thrown into the very different world of sports - her life is all practices, training, and running with a group of Harry Potter fans.

Even as Melissa pulls away to pursue new relationships and their other BFF Xiumiao seems more interested in moving on from high school, Ellen is steadily finding a place among her teammates.

But with her home life and friend troubles quickly spinning out of control - Ellen must fight for the future that she wants, now she's playing for keeps.

NON-FICTION

My Dream Time

Ash Barty

ISBN 9781460762820 Hardback \$ 49.99

It's a tennis story. It's a family story. It's a teamwork story. It's the story of how I got to where and who I am today. This book gives me a chance to look back at every moment of the 20 years in between, and to think carefully through the highs and lows, the work and the play, the smiles and the tears.

My Dream Time is about finding the path to being the best I could be, not just as an athlete but as a person, and to consider the way those identities overlap and compete. We all have a professional and a personal self. How do you conquer nerves and anxiety? How do you deal with defeat, or pain? What drives you to succeed – and what happens when you do? The answers tell me so much, about bitter disappointments and also dreams realised – from injuries and obscurity and self-doubt to winning Wimbledon and ranking number 1 in the world. My story is about the power and joy of doing that thing you love and seeing where it can take you, about the importance of purpose – and perspective – in our lives.

Big Love

Brooke Blurton

ISBN 9781460761519 Paperback \$ 32.99

As a proud young Noongar-Yamatji woman, Brooke's connection to her culture and country is deep, and as an openly queer woman, she knows that love is simply love. Most of all Brooke knows the importance of family, and the uplifting power of unconditional connection.

But behind the public persona Brooke presents to the world is a story of epic proportions and awe-inspiring resilience - she had to grow up fast from a very young age, surviving an extremely challenging childhood and youth, and overcoming the shocking legacy of intergenerational trauma, abuse and homelessness.

She's also had to defy labels and perceptions about who she is, and her worth, all her life.

But through it all, Brooke didn't just survive, she found her voice and thrived, and in this raw, heartbreaking, often funny and ultimately life-affirming memoir, Brooke lays her journey bare about how she refused to allow the past to define her and reclaimed her own identity - and realised the power of love, for herself, for her family, and her community.

Chloé Hayden

ISBN 9781922616180 Paperback \$ 32.99

Growing up, Chloé Hayden felt like she'd crash-landed on an alien planet where nothing made sense. Eye contact? Small talk? And why are you people so touch-oriented? She moved between 10 schools in 8 years, struggling to become a person she believed society would accept, and was eventually diagnosed with autism and ADHD. When a life-changing group of allies showed her that different did not mean less, she learned to celebrate her true voice and find her happily ever after.

This is a moving, at times funny story of how it feels to be neurodivergent as well as a practical guide, with advice for living with meltdowns and shutdowns, tips for finding supportive communities and much more. Whether you're neurodivergent or supporting those who are, *Different, Not Less* will inspire you to create a more inclusive world where everyone feels like they belong. *An empowering lived-experience guide to celebrating and supporting neurodivergence from 24-year-old actor, social media star and disability advocate Chloé Hayden.*

Light We Carry

Michelle Obama

ISBN 9780241621240 Hardback \$ 39.99

In *The Light We Carry*, former First Lady Michelle Obama opens a frank and honest dialogue with readers, considering the questions many of us wrestle with - How do we build enduring and honest relationships? How can we discover strength and community inside our differences? What do we do when it all starts to feel like too much? Michelle Obama believes that we can all lean on a set of tools to help us better navigate change and remain steady within flux. *The Light We Carry* offers readers a series of fresh stories and insightful reflections on change, challenge, and power, including her belief that when we light up for others, we can illuminate the richness and potential of the world around us, discovering deeper truths and new pathways for progress. With trademark humour, candour, and compassion, she also explores issues connected to race, gender, and visibility, encouraging readers to work through fear, find strength in community, and live with boldness. A rewarding blend of powerful stories and profound advice, *The Light We Carry* will inspire readers to examine their own lives, identify their sources of gladness, and connect meaningfully in a turbulent world.

Minding Your Mind

Prof. Ian Hickie and James O'Loughlin

ISBN 9780143778783 Paperback \$ 34.99

Written with compassion and curiosity, warmth and humour, *Minding Your Mind* is for anyone who wants the best for their mental well-being but might not know the best way to get there. It's a check-up for everything happening between the ears and through the body, flagging the warning signs when things get wobbly and offering a pathway to a more fulfilling life. The mind is a marvel. It's at the centre of our most rewarding experiences. It lets in awe and laughter, love and wisdom, and helps us overcome life's great trials. It's our greatest asset, but it can also be our greatest adversary, allowing in self-doubt, anxious thoughts and depression. It can magnify our fears and undermine our best intentions, and lead us into life's darkest corners. Based on James O'Loughlin and Professor Ian Hickie's popular podcast, *Minding Your Mind* is an exploration into everything you've ever wanted to know about how the mind works, and the thoughts and emotions that steer our lives. It also offers practical strategies on how we can understand, change and improve our mental health.

Two Heads Where Two Neuroscientists Explore How Our Brains Work with Other Brains

Uta Frith, Chris Frith and Alex Frith

ISBN 9781526601551 Paperback \$ 29.99

Professors and husband-and-wife team Uta and Chris Frith have pioneered major studies of brain disorders throughout their nearly fifty-year career.

In *Two Heads*, their distinguished careers serve as a prism through which they share the compelling story of the birth of neuroscience and their paradigm-shifting discoveries across areas as wide-ranging as autism and schizophrenia research, and new frontiers of social cognition including diversity, prejudice, confidence, collaboration and empathy. Working with their son Alex Frith and artist Daniel Locke, they examine the way that neuroscientific research is now focused on the fact we are a social species, whose brains have evolved to work cooperatively. What happens when people gather in groups? How do people behave when they're in pairs either pitted against each other or working together? Is it better to surround yourself with people who are similar to yourself, or different? And, are two heads really better than one? *Highly original and ingeniously illustrated, Two Heads provides an expansive understanding of how our brains work, and how they work together.*
