

## **Prep and Junior House Cross Country 2019**

Dear Parents,

On the day of our Inter-House Cross-Country, we would greatly appreciate the assistance of parents to help with some course management and to ensure the safety and well being of all participants. If you **can** assist in this way, please complete the form below and return it to school by **Monday 14<sup>th</sup> October**. I will then assign positions on the course and notify those involved with a map and details of your position. I hope to have enough helpers in order to pair you up so you are able to watch your child's race. Helpers will need to contact me by 8.30am on the day, (Tuesday 22nd October) to allow for any last-minute changes if you are no longer able to help.
