Community Projects

Family & Community Engagement

For this Term we would like to continue with some of our community projects and further our communication with you. We have collaborated with other OSHClubs and we are working on deciding which project we will continue with. Please watch this space as we will be sharing what we will be doing and we would really appreciate your help.

What's been happening...

Welcome back!

Hello to our families and children!

Welcome back for Term 2! It has been such a busy time for OSHClub, we were so happy with the attendance during the Holiday Program, the children were so interested and engaged well in all the activities planned as well as during our incursions and excursions. We had positive feedback from families and children, and we are already planning the Winter activities.

This past week we have been collecting ideas from children and families for new activities as well as what topics they would like to explore and learn about. We hosted our first coffee cart and Breakkie with OSH, thank you to all the families that came to say hello and have a chat.

For the start of this Term, we will do some Mother's Day arts and crafts, incorporate outdoor play into our daily routine and decide which clubs we will do this Term.

Happy Mother's Day!

See you all soon, have a great day :)
