YOU ARE INVITED TO ATTEND LAKESIDE COLLEGE PTFA ANNUAL GENERAL MEETING

What is PTFA?

The Lakeside College PTFA [Parent Teachers Friends Association] was established in the first year of the school. PTFA enhances and supports the College's quality education program through fundraising activities and building a sense of community among families of the College.

The PTFA strives to support the School by:

- Encouraging parents to actively participate in the life of the School
- Promoting the School and its activities in the wider community
- Arranging fundraising activities on behalf of the School
- Providing additional resources for the benefit of students and to assist teachers in their work.

What sort of things do we organise?

Mother's Day and Father's Day Stalls
Fundraising Events

Student Discos
Lunch Order Days

Some of the Projects that PTFA has raised money for include:

Primary Sensory Garden
New school Gazebo's
Outdoor sports equipment
Indoor entertainment e.g. lego and board games
The School Colour Run!

The PTFA Executive

The Executive comprises the President, Secretary, Treasurer, Fundraising Coordinator and Principal. These Executive positions are elected at our AGM and are responsible for the planning, management and organisation of the Association.

When are the meetings held?

The meetings are held once to twice a term and the duration is usually around 1 hour. Please note meetings are not held during the school holidays.

The more parents who become involved in PTFA, the more it can achieve for our students. By the way, did we mention it's a great way to meet people and become more involved in your child's education!
