

## Term 2 Holiday Lessons/Workshops and Library Opening hours

St Pius X College is hosting a wide variety of Term 2 holiday lessons and workshops to assist Year 12 students in preparation for the upcoming Trial HSC exams. There are a wide variety of presenters across a number of subjects and all students are encouraged to attend. These workshops will assist students who wish to improve their results, regardless of their current position.

The College will also open the Senior Resource Centre on selected days to support students and offer a quiet space to study.

Finally, the College is keeping the Academic Annexe open until 6pm on Tuesday and Wednesday in Weeks 1 and 2 of Term 3 to allow Year 12 students to collaboratively study prior to the Trial HSC A pizza dinner will be provided to any Year 12 student in attendance.

In past years, this has been a positive experience for all students. We encourage all Year 12 to attend where they are able to seek feedback from staff members and St Pius Oldboy Tutors who will be available to assist students and help with a wide variety of subjects and topics. All students are encouraged take this opportunity to work with your peers and prepare for the Year 12 Assessment Block.

The Academic Annexe remains open to all students until 5:10pm and Oldboy Tutors continue to be in attendance.
