

How I got Junior Cadet of the year

The Australian Air League is a youth organisation for boys and girls aged from 8 years which encourages an interest in aviation as a career or as a hobby. I am a Cadet in Waverley squadron. Review is something where the thirteen Squadrons from all around Victoria comes together to show what they have been practicing for months. On the 25th of November 2024 I was leading the junior section of the Waverley Squadron, it was a really big thing for me since they chose me out of every person there. Also, the other reason it was a big thing because if I wanted to do section drills or flight drills I had to be a Leading Cadet or a Corporal and I was just a cadet!

I was very proud since I was not only representing myself but also, I was representing my squadron. It was a proud moment for me as I felt like I was a good leader who can overcome challenges like nearly messing up commands, but instead of continuing to say the wrong command I pause myself and quickly have a rethink and say it confidently.

Thank you to my parents, Mr Fantran (The person who runs Waverley squadron), and my fellow cadets to make this dream come true and making me one step closer to my dream as being the Australian Airforce!

The people who are from the school who represented the Waverley Squadron are: Myself, Clarissa, Anya, Thien Phu (Graduated in 2024).

From Johfrit.
