Grade 6 Cohort 2025

The graph below, shared recently by our network, shows the relative growth in reading from Grade 3 in 2022 to Grade 5 in 2024 across all Beachside primary schools. We're proud to share that Brighton Primary School's **current Grade 6 cohort** achieved the highest levels of relative growth for reading. This means that, compared to students with similar starting points in Grade 3, our students made significantly greater progress in reading by the time they reached Grade 5.

Progressive Achievement Test

Lastly, Brighton Primary School is also conducting the [Progressive Achievement Tests](#) (PAT) in both reading and numeracy for a second year. All students in Grades 1 - 6 complete the reading & numeracy assessment three times a year in Terms 1, 2, and 4. Like NAPLAN, the PAT assessments provide your child's achievement level in the context of their year group nationally. Below are the average cohort scale scores for Term 1 compared with the Victorian Average.
