

FRIDAY 31ST OF OCTOBER

A helping hand for families in need.

On **Friday the 31st of October** Everlearn Preschool will be helping Dandelion Support Network again by providing their carpark for Dandelion's vans to collect donations for their wonderful service.

Dandelion Support Network is a grassroots not-for-profit that supports children and families in need.

Their team accepts, sorts and safely checks children's clothes and nursery items for families in need. They work with hospitals and support agencies to provide these items to the families. They receive no government funding for the services they provide and rely on the generosity of the community and their supporters to continue their work.

The Dandelion Support Network will be accepting donations from **10:30am till 12noon** in the car park at Everlearn Preschool, located on 58 Arden Street, Clovelly.

Their volunteers accept donations of good quality preloved and new nursery furniture and items for babies and children for families in need.

Dandelion have advised they desperately need:

- **Cots (manufactured after 2003)**
- **Prams (doubles and singles)**
- **Car seats (manufactured in Oct 2019 or later)**
- **Baby clothes**
- **Consumables**
- **Newborn nappies and wipes**
- **Clothes size 5-7**

A list of what they can and can't accept can be found here
