Dear 2025 Ivanhoe Primary School families,

Ivanhoe Primary School is looking forward to another great year of teaching and learning and would like to advise you of Ivanhoe Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. **We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.**

Your support allows us to

- Increase the number of mobile devices available to students
- Increase the hours of our education support (aides) and support teachers in the classrooms
- Purchase resources over and above the basic essential instructional items
- To update our ageing projectors and smartboards in our classrooms
- Update school-wide site licences for software and purchase new software for student use
- Replace and service classroom air conditioners
- Purchase play equipment for passive play
- Resource the Wellbeing room
- Purchase/replace outdoor play equipment
- Refresh our Library book stocks
- Provide Specialist furniture e.g., kidney tables for small group and individual instruction
- The maintenance person's salary
- Purchase of STEM resources such as Micro bits boards, ipads, robotics and coding equipment.
- We would eventually like to purchase a large retractable projector and screen for the school hall
