

Every child is different.
So is every foster carer.

BERRY STREET

A little of your time can change an entire life.

In Victoria, the number of children who cannot live safely at home has risen every year over the last 10 years. Children in care have experienced trauma — they need a safe, nurturing home environment to help them recover.

If you are over 21 and have a spare bedroom, we would love to hear from you. As a foster carer, you could make a huge difference to a child or young person in need.
