Term 3, 2026

What we're learning

This term we have had a focus on Netball, basketball, AFL and Rugby League where we learnt new skills across these sports.

We also had our swimming program at Big Fish Little Fish which was a wonderful time as well as our Life Saving Victoria incursions where we learnt all about water safety.

We were joined by Danielle (Netball) and Ali (Rugby) as coaches to help learn new skills in these sports.

Throughout the term, they worked on cooperating with others, taking turns, sharing equipment, and showing kindness and respect during games and group activities.
