The bonus can be used towards 2025 school costs, which may include:

- camps, trips, excursions and incursions
- swimming and sporting programs
- outdoor education programs
- school uniforms
- **textbooks – this is only for Year 7 and high school students.** The bonus can be used at your school's approved textbook

### **It cannot be used for stationery packs and or school fees**

**FOR UNIFORMS-** The bonus can be used at your school's approved uniform suppliers either in-store or online, or through State Schools' Relief.

- The list of suppliers may include a school uniform or bookshop. Any amount that you choose to allocate to textbooks and uniforms will be valid until 30 June 2025. It will then transfer to your child's school account for future activities.
- Funds will roll over for use in future years if it is not all spent in 2025.

## Families with more than one eligible child

Families who have more than one child at the same school can combine their School Saving Bonus payments to use on one child, or for a specific activity. So, for example, a family with 3 children who are all government school students would receive support to the value of \$1,200 and choose how they spend those funds. The School Saving Bonus cannot be combined across different schools. More information
