Around the Grounds

6A / 6B

There was a noticeable excitement in the air as the Year Six A and B players warmed up for the inaugural Baa Baas vs Mar Mars game on Ashgrove's hallowed McMahon Oval. The anticipation built as each player's name was announced over the PA system, whilst an enthusiastic rendition of *Baa Baa Black Sheep* set the tone for an enjoyable and entertaining match of rugby.

The Baa Baas opened the scoring thanks to an Eli Miles sprint to the corner, but the scores were levelled shortly after with cleaver blindside plays from Owen Aldridge and his outside backs eventually paying off. This theme continued throughout the match; every time the Baa Baas took the lead, the never-say-die Mar Mars hit back. A try on the buzzer from resilient fly half Josh Pope secured an exciting, come-from-behind victory for the Mar Mars, but it was the sight of all 34

players in the middle of Ashgrove's 'Number 1' singing together, that was the biggest highlight of an excellent afternoon of rugby.

We hope to see this become an annual fixture.

Player of the game as awarded by the game-day referee, Ziggy Day, was Harrison Barden.

6C

It was the toughest game that the boys had played this season but the 6Cs rose to the occasion. A massive improvement in defence from the week before. Big shout out to all the boys who played full games.

6 Gold

We won 24-5. It was the toughest game we have played so far but the 6 C's rose to the occasion. A massive improvement on defence from the week before. Big shout out to all the boys who played full games.
