FREE school uniform & school supplies collection.

In partnership with Eastland, Glen Park Community Centre collected preloved school uniforms and new school supplies through our donation point with Eastland Shopping Centre. To support our local families who may be struggling with the expense of the school year, Glen Park will be hosting a series of FREE collection dates by appointment in 2021. If you or someone you know are finding it difficult to juggle the costly return to school, please call to register for the next collection date at Glen Park. Please also note that we cannot guarantee a supply of a particular school's uniform, all of the stock is now generic colours.
