Dear Parents,

This letter provides information about voluntary contributions you can make to support Ballarat High School for 2027 and other payments you can choose to make.

Victorian government schools provide free instruction. This means all students have free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.

Some families choose to make a voluntary financial contribution to support the school, and we are very grateful for this support. Making a voluntary contribution is your choice. There is no expectation or pressure for families to contribute.

Ballarat High School offers a range of items and activities that are additional to the free instruction provided to all students at our school. Financial help is available for extra-curricular items and activities if you are experiencing financial hardship (see further details under Financial Help for Families in the attached information). For a confidential discussion about how to access the financial help available, please contact: Emma Busuttil, 03 5338 9000, emma.busuttil@education.vic.gov.au.

If you need an interpreter, please contact 03 9605 3053 and give our school's phone number 03 5338 9000. An interpreter can help you speak with us. This service is free. For more information, please see How to use an interpreter to contact your school.

For more information on the Department of Education's Parent Contributions policy please see the information attached. You can read the full policy at Parent Contributions: Policy | education.vic.gov.au.

Payment methods

Payments may be made using cash, cheque, VISA, MasterCard or EFTPOS via the General Office.

Credit card payments may be made over the telephone or in person.

BPay is available. These payments can be for all outstanding account items, specific charges or a regular scheduled payment plan. All Family Statements include BPay reference details. To ensure the correct allocation of payments by our Office staff, families using this facility are kindly requested to send us an email indicating their allocation preferences. If we do not receive this advice within 3 working days of the payments being made, the funds will be allocated at our discretion.

Centrepay deductions can also be arranged. Centrepay is a direct bill-paying service offered to customers receiving payments from Centrelink, where regular amounts are deducted and paid to the School.

Compass Pay allows online permissions and payments for events etc throughout the year.

If you want to make voluntary contributions throughout the year, you can:

- decide when to make each contribution
- choose the amount of each contribution.

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department of Education's Parent Contributions policy and guidance, Financial Help for Families policy, and any other relevant information.

- Free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.
- The Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major, and the Victorian Pathways Certificate.

FAMILIES CAN CHOOSE TO CONTRIBUTE

Schools can invite 2 types of voluntary contributions:

Voluntary contributions	Tax deductible contributions
Used towards enhanced educational programs and school environment, and additional resources and opportunities offered by schools	Used towards building and/or library fund (for those schools who have such funds)

Schools must advise the carers of students in out-of-home care and parents and carers who hold a financially means-tested card (such as a healthcare card) that the invitation to make voluntary contributions does not apply to them.

In addition, schools can invite parents and carers to pay for optional:

- Extra-curricular items and activities that go beyond the curriculum - for example, school photos, some excursions and some camps.
- Learning materials for students to individually use and own - for example, textbooks, stationery, and in secondary schools only, digital devices. If these items are not bought or provided from home, schools will provide students with free access to what they need for curriculum delivery.

FINANCIAL HELP FOR FAMILIES

Each school has a contact person who can discuss with parents and carers the financial supports that are available.

Schools must publish their Parent Contributions arrangements on their school website, along with a link to the department's Parent Contributions policy.
