

Dear Parents,

Please find the Year 1/2 Parent Helper roster below. There are 2 rosters to include those who volunteered fortnightly or weekly. Please arrive 5 minutes prior to the allocated time so you can be instructed on which homeroom you will be working in. Just a reminder that parents are allocated into homerooms depending on the needs of the students, therefore you may not be in the same space as your child.

If you have volunteered to be a parent helper and your name is not included in the roster, it indicates that there is information still required and needs to be given to the front office (induction status/vaccination status/WWCC number). Thank you for your support and commitment in assisting within our homerooms. The roster will be updated once all of the information has been documented.

Kindest regards,

1/2 Team
