

# TARADALE OSHCLUB

Term: 3 Week: 4

## Hello Everyone!

We have enjoyed some more making & baking activities this week such as baking some red velvet cupcakes, warming up with some yummy cheese toasties and enjoying some refreshing fruit smoothies!

We have gotten creative with making our own mini table top hockey rinks and making some fish puppets using our hand prints!

The children invented a new game called 'Loud Ball', their take on the much quieter 'Silent Ball', but just as fun!!

This week it is Dental Health Week! We're talking about the importance of dental hygiene and we have some free dental kits available at the entry area of OSHClub so feel free to grab some!

**Have a great week!**  
**Brooke**

## Coming up...

We have quite a few exciting things coming up in the next few weeks. Next week is Brain Boosters week, so we'll be testing out our thinking skills with some experiments and puzzles, ending it all with a Science Fun Friday that's sure to amaze!

We are also starting our special event days next week. Every Monday until the end of term we will be participating in an 'OSHClub bake off' where we'll get to bake a new recipe each week to enjoy while improving our skills. And for any drawing/anime/comic lovers; we have Manga Mania every Thursday until the end of term! This will see us learning how to draw different style cartoons and creating our own comics.

Can't wait!

## Photo Gallery

***“Great things happen to those who don't stop believing, trying, learning and being grateful.”***
