

MOONEE PONDS WEST PRIMARY SCHOOL

2019 Annual Implementation Plan

Summary

LEARNING GROWTH

Improve learning growth for every child in Literacy and Numeracy.

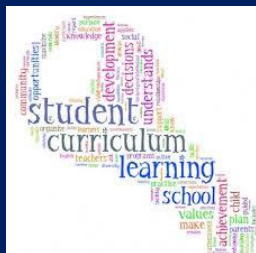

Document a challenging and engaging curriculum in Literacy, Numeracy and Inquiry.

Develop an agreed instructional model with **High Impact Teaching Strategies (HITS)** in every class.

COLLABORATIVE TEAMS

Build strong and purposeful **Professional Learning Teams (PLT)** to plan for effective learning.

Strengthen teaching consistency across all classes.

Improve our use of student-learning evidence to inform the learning sequence for children.

ENGAGEMENT IN LEARNING EXPERIENCES

Build a positive school culture through linking **Purpose, Vision and Values.**

Make the learning framework visible to students to ensure their engagement and wellbeing.

Build student confidence in learning through goal setting and feedback.

PROFESSIONAL GROWTH

Strengthen efficacy through team teaching.

Build teacher knowledge in Literacy and Numeracy through school-wide learning agreements that show consistency.

Build teaching capacity through staff goal setting in **Performance and Development Plans** linked to our **Annual Implementation Plan (AIP).**
