Residential Colleges Open House

Are you looking to attend the University of Melbourne and thinking about Residential Colleges? Then we want to meet you!

The University of Melbourne has ten Residential Colleges, and they are holding an **Open House** event of tours in May. Attendees can hear from current students, meet the academic and pastoral care staff, learn more about residential scholarship programs and discover the best of residential college clubs, societies, events, and leadership opportunities.

Lunch and refreshments will be served across the Colleges on the day. There will be tours on a rolling basis departing at regular times from 12.00pm until 3.30pm, and there are also two Uni Melb Course and Admissions Overview Information Sessions at 12noon and 3.30pm.

Date: Saturday 17 May 2025

Time: 12.00pm – 3.30pm

Registrations are open at [Open House 2025 - Colleges University of Melbourne](#).

Studying the Bachelor of Engineering (Honours) at RMIT

The Bachelor of Engineering (Honours) degree allows students the opportunity to explore the fundamentals of engineering — science, mathematics, design, and more — **before** selecting a specialisation.

Students gain a wealth of engineering skills and knowledge, and through their elective subjects are exposed to a range of specialisations.

After their first year of study, students will be able to choose which branch of engineering to explore in more depth, including:

- aerospace engineering
- biomedical engineering
- chemical engineering
- civil and infrastructure engineering
- electrical engineering
- electronic and computer systems engineering
- environmental engineering
- mechanical engineering
- advanced manufacturing and mechatronics engineering
- mechatronics engineering.

RMIT is ranked among the top ten universities in Australia for engineering.

The VCE prerequisites for entry are Units 3 and 4 with a study score of at least 27 in English (EAL) or at least 25 in English other than EAL, and Units 3 and 4 with a study score of at least 20 in one of General Mathematics, Maths: Mathematical Methods or Maths: Specialist Mathematics. This course has a guaranteed ATAR of 75.00.

Further information can be found at [Bachelor of Engineering \(Honours\)](#).

AgCAREERSTART GAP Program

If you're 17-25, this unique gap-year program provides you with a paid job, training and development, not to mention the opportunity to build your networks within the agriculture industry.

AgCAREERSTART is a 10-12 month gap year program for young people aged between 17 and 25. Participants have the opportunity to preference industry and location, as well as have access to a \$4,500 training & engagement bursary. So, applicants can indicate which farm type they would prefer from a wide variety, and also where in Australia they would ideally like to go. A matching process is undertaken to ensure participants are assigned to the type of farms that match their interests and skills. Successful applicants work closely with skilled host farmers and connect with other like-minded youth.

For a different but exciting GAP year experience, browse [AgCAREERSTART GAP Program](#) to find out more.

Volunteering for Teens

Projects Abroad has spent over 30 years helping our participants fulfill their potential and make the world a better place.

In addition to the [Medical Internships in Nepal](#), Projects Abroad also run a wider range of options in service and internships in *construction*, [Conservation in Thailand](#) and [Human Rights Volunteering in Ghana or Argentina](#) among others.

Students are encouraged to browse the above links, or browse [Volunteer Overseas through Projects Abroad](#).
