

CROSSWORD

Fill in the crossword using the clues provided below.

Down:

1. What is the season that comes after winter?
5. What is the colour of new leaves growing on trees?
6. Buzzing insect that you will see more of as temperatures increase.
7. What do birds lay in spring?

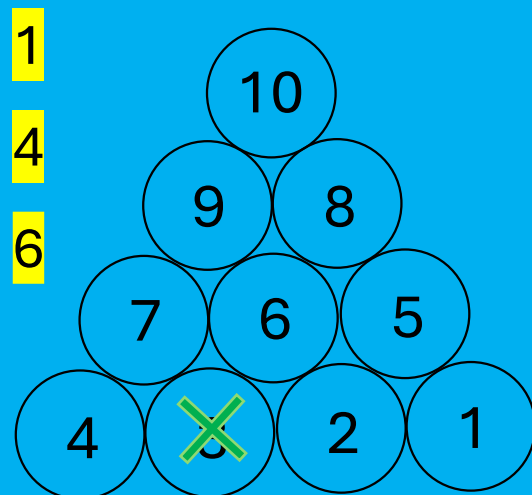

Across:

2. What blooms in different colours?
3. What is the first month of spring in Australia?
4. During spring, days become _____.

WORD SUDOKU: Fill in this Word Sudoku so that there is only one of every letter for 'FLOWER' in each row, column and box.

F			E	L	O
L		E	W		F
O					W
W		F	R	O	L
E	L	W			
R	F		L		E

Maths Bowling: Using the numbers in yellow (1,4,6), try to calculate each of the numbers from 1 to 10 and cross them out. See if you can calculate them all. For example, $4-1=3$.

SOLUTIONS

WORD SUDOKU:

F	W	R	E	L	O
L	O	E	W	R	F
