

## Virtual 5 Peaks Challenge

Starting in the month of March is our new awareness and fundraiser for Canteen Australia. If you didn't know already Canteen Australia is a charity that helps the 23,000 young Australians facing the mountain that is a cancer journey each year.

Whether it be you or a loved one being diagnosed with cancer

Climbing the peak means feeling exhausted, lost, confused, and isolated. It's absolutely terrifying and no one should have to face it alone. That's where our Mullauna community as a whole comes in. Throughout the month of March we are hoping to get as many staff, students and parents as possible to **“climb Australia’s 5 highest peaks”** by running, walking, cycling, swimming or skating **68 kilometres**. We are also hoping to organise some fun activities during the month for all participants.
