ABOUT THE CONTEST

Students are encouraged to submit up to a five minute (5) video (with the help of their parents or school) on a leadership topic that matters the most to them. Three (3) grand prize winners will receive a \$1,000 leadership grant and three (3) popular vote winners will receive \$500. This year, we are supporting 17 languages!

WHAT IS A LEADERSHIP GRANT?

The purpose of a leadership grant is to inspire and enable students to be life-ready leaders and use the grant to make a difference within their circle of influence. The decision is up to the student, but ideas might include: Organizing a service project, donating the money as a charitable contribution, or contributing to a college fund etc.
