**RE: Parent Helpers 2022**

Dear 5/6 Parents and Guardians,

This Semester, we would love to have Parent Helpers in our Learning space to support our Reading, Maths, Religious Education, Wellbeing, and PBL sessions.

If you would like to help either weekly or fortnightly, please fill in your preferred days and times and return the slip below by Wednesday 23rd March so that we are able to organise a roster.

To avoid distractions, we request toddlers are not brought to school during the sessions. Due to our differentiated and self-directed learning across the curriculum, you may or may not be working with your child's group.

Please remember to volunteer as a Parent Helper, ***you must be triple vaccinated, you must have a Working With Children's Card and you must have a 'Parent Helper Certificate'*** (issued by our school), once you have attended the Parent Helper Induction Session.

*Please be advised that we will contact you regarding your allocated day and time according to parent demand.*

Kind Regards,  
Year 5/6 Team
