

Friday 29<sup>th</sup> July

### **FOUNDATION- 100 Days of School Celebration: Friday 2nd September 2022**

Dear Foundation families,

Throughout Term Three, our units of study will focus around building our understanding of ancestry and family histories. As part of our learning, we will also be celebrating the historic “100 days of school” for our Foundation students. This is a fantastic day of celebrations and involves a variety of activities based around the number 100.

#### **When will the “100 Days of School Centenary Celebrations” occur?**

Our Foundation students will be celebrating their 100 days of schooling on Friday 2nd September 2022.

#### **What should my child wear to school on Friday September 2<sup>nd</sup> ?**

To help celebrate the occasion, we encourage all students to come to school in “100” themed attire.

We encourage you to be creative with your dress-up. Some ideas to prompt your thinking are:

- dressing as a 100 year-old person
- dressing as a cricket player who has scored a century, or similar
- dressing as a student, occupation or person from 100 years ago
- dressing up to represent something which may come in hundreds
- wearing the number 100 on you, such as a t-shirt with tally marks or similar
- searching ideas online for “100 days of school dress-ups”.

A themed dress-up is encouraged, but not compulsory. Students who would prefer to wear their school uniform may do so.

#### **What learning tasks are planned for Friday September 2<sup>nd</sup>?**

Students will arrive to school at the normal time, with classes beginning at 8:50am. The schedule is as follows:

9:00am- 9:50am: Normal class program

9:50am-10:00am: morning recess snack supervised in class (as per normal)

10:00am-10:30am: morning recess, students to play outside or inside as per normal (dress-up dependent)

10:30am- 12:00am: “Centenary themed learning tasks”

12:00am-12:30pm: “Celebration lunch” to be held in the gallery opposite classrooms or outside depending on the weather.

12:30pm onwards: regular lunch recess

1:00pm onwards: Normal class program

#### **What should my child bring for the celebration lunch?**

Students will bring their own lunch and there will be no sharing of food. They may bring a special lunch or a 100 themed lunch eg: sandwich with 100 and 1000's, vegetable sticks and circles to make 100. Students will also need to bring a morning snack, brainfood and a water bottle (as per normal).

**No nut products or drinks other than water please.**

We look forward to an exciting day to celebrate all that our students have achieved during their first year of school.

Kind regards,

**Mrs Lisa Dam and Mrs Holly Peters**  
**Foundation classroom teachers.**
