Harmony Day EXPRESION OF INTEREST

Thursday, March 05, 2020

Dear Parents/Guardians

This year's special 10th Harmony Day will be held on the second last day of term on **Thursday 26th of March**. It is special day on the Lyndhurst School calendar that our students and community members look forward to every year to celebrate our harmonious cultural diversity.

As I plan for this year's special event, I would like to put out **an expression of interest to any parents, guardians and family members who would like to volunteer their time to either present a cultural dance or performance or teach a small group of students a dance or performance**. All offers will be considered for either the main performance at the Harmony Day morning parade or a special activity on offer for the day. **Any other contributions from our Lyndhurst community such as cultural talks, cooking demonstrations and arts and craft activities are very welcome.**

If this is something you're interested in, please fill out the expression of interest form and return it to the school office by Friday March 6th 2020.

Kind Regards,
Erika Marroquin
