

WHAT'S BEEN HAPPENING

Hello Families 😊

Welcome back to Term 4. We have been getting back into the swing of things here, with a gingerbread competition coming up over the coming weeks. This term is a packed term with lots going on so make sure to come and have a look at all the cool stuff we will be doing. So far this term we have been heavily focused on construction, using foam mats and magnetic blocks to build a variety of creations.

Sunscreen and hats are becoming essential for play so if children need their own sunscreen, please remember to put it in their school bags with a hat.

If you have any questions or just want to have a chat, please either contact us during service hours or come in and have a chat!

Important Reminder

HATS, HATS, HATS

Coming into the warmer end of the year, sun safety is important! If children can bring either their school hats or another hat (preferably broad brimmed) so they can keep enjoying outside safely. **NO HAT NO PLAY!**

In term 4, there will be celebrations highlighted throughout the program and special events within the community. The dates are provided in the section below, if you would love your child/ren to attend. Book Now!

IMPORTANT DATES

World Teacher Day

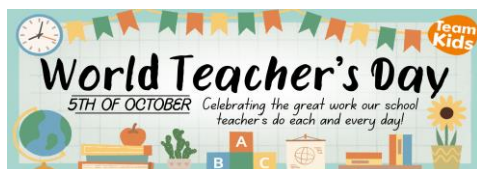

October 25th

World Pasta Day

October 25th

Halloween

October 31st
