

Dear families,

Notice of fee increase for 2023

Following a recent budget review and the costs of running our Outside School Hours Care (OSHC) program, School Council has determined that our fees will be increased.

Please be advised that as of 1 January 2023 our OSHC program fees will increase as follows:

- Before School Care will increase from \$25 to \$27 (from \$35 to \$37 including travel for surrounding schools).
- After School Care will increase from \$30 to \$32 (from \$40 to \$42 including travel for surrounding schools).
- Vacation Care will increase from \$65 to \$75 per day.

Please note where students from surrounding schools are booked in for both before and after school care, only one travel fee per day will apply.

We acknowledge that the cost of living has increased in all areas over the last few years and as such, we have delayed increasing our fees as long as possible. We hope that with the slight increase to the Child Care Subsidy payment, for which most families are eligible, that the fee increase will have a minimal impact on families.

Should you have any queries, please contact our Program Coordinator, Casey or Administrator, Mel (Mon-Wed only) on 5341 3560 / oshc@buninyongps.vic.edu.au

Your Faithfully,
