

The General Public and John XXIII College Parents
are Invited to Attend

‘Marriage Relationship: What it’s all about?’

PRESENTER:

EAN JAMES
Clinical Psychologist

The “honeymoon” came and went. Finding the lost love. So we finally discovered that incompatibility is the essence of committed relationship; not a threat but opportunity. Beyond the “ecstasy”, to intimacy and real connection. Shakti Gawain called it “the most powerful spiritual journey in the universe”.

Ean James has been a regular speaker at the Inigo Centre for many years. His talks are always well attended and his audience enthusiastic. This is because he is thorough, rapport extremely well with his audience and his content is relevant to modern living needs.
