

INTERMEDIATE GIRLS FOOTBALL

Continued...

In the second game the girls started to gel together with some excellent passages of play, with Ella Beard popping through three majors, Emily Norton dominating her wing and Matisse Wilkie getting heaps of ball in the middle. Chloe Christensen had at this stage rucked very well for both games, and later on assisted by Lara Telfer up forward and Julia Sherry up the other end. Our girls booted 6.1 to zero.

Our last game was against BCE that was stacked with academy players, Isabella McDonald was given the task at half back to keep their gun centre half forward quiet, not only picking up several possessions of her own, then limited her opponent to one touch. It was appeared on paper that we were matching it around the ground, just not penetrating past centre half forward. In the end BCE were just too strong all over the ground.

Our best players overall for the three games we played were, Matisse Wilkie, Chloe Christensen, Lauren Breguet, Emily Norton, Ella Beard, Lara Telfer and Isabella McDonald. At the end of the day, we resulted in runner's up and the girls should be very proud of their achievement.

Thank you to Ms Jackie Gorman for a very polished display as our Goal Umpire with some great decisions and flag waving.

It's difficult to select two players for our awards, but the MVP goes to Matisse Wilkie, who just racked up possessions all day and the Coaches Award goes to Emily Norton, who not only listened to the coach's instructions, then executed them perfectly by getting plenty of the ball.

Mr John Fleming

Sports Coordinator
