

# PEDAL PRIX

## Sponsorship Opportunities

## Here's the picture ...

The Australian Human Powered Vehicle Super Series (AHPVSS) is a major event that involves more than just riding bikes. Pedal Prix is a fun multidisciplinary sport that incorporates design, engineering, physical fitness and team work into a race setting. Pedal Prix is undertaken in recumbent bikes which race over a closed circuit trying to complete as many laps as possible.

To participate in this extra-curricular activity Endeavour Race Engineering (ERE) requires lots of funding from our College and the wider community to cover the costs involved in getting our team to each race meet. The next page details outline of our sponsorship packages; and how you will be acknowledged for your support.

At each level of sponsorship, different things occur that benefit the Pedal Prix Team and ultimately, our students. From being able to afford to enter a race, to the construction of a complete race vehicle, something remarkable happens at each level of sponsorship. A little bit goes a long way and any amount of support is an investment in our students.

All sponsorships receive a TAX receipt and certificate of contribution. So thank you for considering this Sponsorship Opportunity.

## Help dial up the smile

# Put yourself in the picture ...

Please consider which areas you would like to fully or partially contribute, or contact ERE with your own proposal for a sponsorship framework that suits you.

## SPONSORSHIP FRAMEWORK

SPONSORSHIP BENEFITS	PEDAL \$200	WHEEL \$500	SEAT \$1000	STEERING \$5000	PODIUM \$10 000
