Application for place on 2020 France Study Tour.

In the case that there are more students interested in participating in the France Study Tour than we have places for, we will need to hold a selection process. We are looking at a cap of 25 places. The criteria for selection will include:

- Current enrolment in French studies at MGC
- Year level in 2020; older students may be given priority
- Evidence of academic performance
- Attendance at school
- Responses to selection questions

Selection Questions

(Your responses to these questions should be included as a separate document)

1. Please tell us why you want to attend the 2020 France Study Tour;
2. Tell us how you might use your France Study Tour experience to inspire yourself and/or others in the future;
3. Is there anything else you would like to tell us to support your application?

If necessary, the selection panel will meet on Monday 9th November and families will be notified by email of the outcome on Tuesday 10th November. The deposit amount will be processed on the Wednesday, 11th of November if successful.

This application form including deposit and responses to selection questions needs to be submitted to the General Office by Friday 6th December 2019.
