

PUT TUESDAY 19 JUNE IN YOUR DIARY

HAVE YOUR SAY ABOUT THE

FUTURE OF FRANKSTON HIGH SCHOOL

2018 is an important year in our school's Accountability Cycle. It is a year of review where all members of the community are invited to contribute to evaluating our achievements over the last four years whilst identifying areas for ongoing improvement.

Tuesday 19 June 6.30pm our usual School Council meeting will be an open meeting whereupon all parents will be invited to contribute to our self-evaluation. The recommendations from the self-evaluation will be presented to an independent reviewer who will visit and assess our school in Term 4, helping us to develop a new Strategic Plan for the next four years (2019-2022). Parents are encouraged to attend this forum to have their say about what they feel the priority areas for improvement should be. I am looking forward to meeting with you and especially hearing from you at this gathering.

John Albiston
Principal
