

Year 6 Ministries at Our Lady's Assumption

This term we have begun our Year 6 Student Leadership Ministries. The first rotation saw the students involved in a number of in school projects:

Compassion Ministry – These children were focussing on a Stations of the Cross presentation with Mrs Erskine. They were helping us to stay prayerfully connected to the Lenten journey we all take, to celebrate at Easter the risen Christ.

Sport – What a fabulous day the Year 5 and 6 students had on Monday 8th April! Mr De Pietro and his team facilitated tabloid sports at Dianella Regional Open Space. Next term they are looking at organising Sport Ministry members teaching games to younger children at recess/lunch.

Events and Communication – So many of the students at OLA participated in the colouring in competition under the direction of Ms Figueira. They were so gorgeous and the two winners will enjoy the Easter prizes.

Some children were invited to serve at Grandparent's Morning Tea Friday 5 April, 2019. That was delicious, and it looked fun to help out!

Christian Leadership –After leading the Ash Wednesday Mass at the beginning of Lent, we had a fabulous Crazy Sock day this week on Wednesday! This enthusiastic group made beautiful posters, announced the event and collected the \$2 gold coin donations for Project Compassion. How crazy was that day!

We look forward to sharing events and activities in Term Two from the Year 6 Leadership Ministries.

Mrs Mary Barclay
