

MERIT SCHOLARSHIPS FOR 2024

AgriFutures Horizon Scholarship

The AgriFutures Horizon Scholarship is awarded to CSP students studying an **agriculture-related undergraduate degree** or a Science, Technology, Engineering, Maths/Finance (STEM) degree with relevant majors which align to agriculture.

In partnership with industry sponsors, the AgriFutures Horizon Scholarship is an initiative supporting students enrolled in full time study at an Australian university by providing:

- A bursary of \$5000 per year for the final two years of your degree
- Professional development workshops
- Annual industry work placements aligned with the scholar's areas of interest and their sponsor's industry
- Opportunities to network and gain knowledge at a range of industry events.

To be eligible, students should be considering studying a degree related to agriculture, such as:

- Agricultural Science
- Rural Science
- Livestock/Animal Science
- Veterinary Science
- Agribusiness
- Plant Science
- Agricultural Economics
- Resource Management
- Sustainability
- Food Security
- Agricultural Economics
- Science, Technology, Engineering or Maths (STEM) – aligned with agriculture

Scholarship recipients will be selected on the basis of their commitment to a career in agriculture, as well as their leadership potential and high school academic record. To be eligible for the AgriFutures Horizon Scholarship, students must be enrolled full-time in their **last two years** of an agriculture-related undergraduate degree at an Australian university.

W estpac Bicentennial Foundation Scholarships

The Westpac Bicentennial Foundation supports undergraduate scholars in five areas that are key to shaping the future of Australia. Scholars from across the five scholarship categories will be leaders, innovators, and pioneers - people from all walks of life who have the drive to shape the future prosperity and growth of Australia. Year 12 Australian citizens or Permanent residents are encouraged to take note of these scholarships in anticipation of applying for them once at university. The programs on offer include:

❖ Young Technologists

The Young Technologist Scholarship is open to approved technology-related degree at one of five partner universities. CSP students who want a diverse and exciting career working at the cutting edge of technological innovation are encouraged to apply. Successful recipients will receive \$20,000 over three years to help support their

undergraduate studies in technology, and will also have access to paid internships and inspiring mentors. Best of all, students will become a lifelong member of the Westpac 100 Scholars Network: an inclusive group of some of the brightest young minds in Australia. Lifelong membership to this network gives students access to one of Australia's most diverse meetings of like minds. It is designed to be inspiring, influential and a life-long learning experience. **Although this scholarship will only be available for students once they are at university, they are encouraged to stay abreast of this significant scholarship.** Find out more at <https://scholars.westpacgroup.com.au/scholarships/young-technologists/>

❖ Asian Exchange

The Westpac Asian Exchange Scholarship supports students who are passionate about Asia and want to actively contribute to Australia's success in Asia. Australian undergraduate students will have the opportunity to spend up to two semesters studying in China, Hong Kong, Singapore, Japan, South Korea or Taiwan, pending travel restrictions, through the Asian Exchange scholarships. Students will be encouraged to build their own adventure by having the freedom and flexibility to individualise their exchange and enhance their experience through a range of opportunities beyond the classroom. This may be a local internship, volunteering, work experience or intensive language course to enrich your Asian adventure. Valued at \$12,500, the scholarship supports undergraduates from 14 partnership universities who are interested in Asia, and want to actively contribute to Australia's success in Asia in their chosen field. As a Westpac Asian Exchange Scholar, students become part of the Westpac 100 Scholars Network. Lifelong membership to this network gives students access to one of Australia's most diverse meetings of like minds. Drawing on the Scholars' strong sense of purpose and desire to collaborate, the network is designed to be inspiring, influential and a life-long learning experience. **Although this scholarship will only be available for students once they are at university, they are encouraged to stay abreast of this significant opportunity.** Find out more at <https://scholars.westpacgroup.com.au/scholarships/asian-exchange/>.

❖ Future Leaders

Applicants can be studying across a wide range of disciplines; however, preference will be given to studies relating to Australia's relationship with Asia and Technology & Innovation and intending enrolling in full-time post-graduate study. Successful recipients will be awarded up to \$120,000 over 2 – 3 years to complete their post-graduate study, and have the opportunity to shape their leadership skills. As part of the scholarship students also get to head overseas for up to six months to study. As a Westpac Future Leader, awardees will also become part of the Westpac 100 Scholars Network. Lifelong membership to this network gives students access to one of Australia's most diverse meetings of like minds. THE INFORMATION PROVIDED IN THIS RESOURCE IS A GUIDELINE FOR STUDENTS

It is a summary of many of the foremost academic merit scholarships on offer and it is important that students confirm specific details of the various scholarships, i.e., eligibility, and the closing dates for their application/s themselves.

Students should also check whether the scholarships they are applying for are deferrable or not.

It is also advantageous to visit the university websites regularly as they are frequently updated, and detail numerous other scholarships - *access & equity scholarships, sport, and accommodation scholarships* - not referred to in this resource.

Students should also note that not every tertiary institution is listed here. It is imperative that students are methodical in researching the websites of the institutions they are applying to themselves.

Where possible, reference has been made as to whether the scholarship is available to Commonwealth Supported Students (CSP) – referring to *Australian citizens, some New Zealand citizens*, and residents on *Permanent Humanitarian Visas* only – or whether it is open to International students too.

Students should double-check their eligibility themselves.

Students are encouraged to browse the following links regarding numerous other scholarships - many of which are access & equity scholarships and/or financial assistance opportunities –
