FACTS

# ALEXANDER TUCKFIELD

IN 2020, ALEXANDER SET A  
WORLD RECORD WHEN HE PLACED  
SECOND IN THE MEN'S 200M  
FREESTYLE MULTI CLASS EVENT  
AT THE HANCOCK PROSPECTING  
AUSTRALIAN VIRTUAL SHORT  
COURSE, TOUCHING THE WALL  
WITH A TIME OF 2:01.41.

The background features a complex, abstract geometric design. It consists of several overlapping, semi-transparent shapes in shades of orange, red, and purple. These shapes are defined by bright, glowing white lines that create a sense of depth and movement. The overall effect is reminiscent of a stylized, low-poly 3D environment or a digital art composition.
