## LIVERPOOL

## Internet Security

Enjoy comprehensive and versatile security for your internet enabled devices in real-time to protect against existing and emerging viruses and malware.

The software is a welcome addition for providing a reliable defence against a range of ever-growing threats including those that are now affecting more mobile phones and tablets. It also helps safeguard your children and allows them to explore the web safely, with both time and content limits.

### Cecil Hills High School Student Discounts

### RENTING FOR EDUCATION

ALSO AVAILABLE AT HARVEY NORMAN

Renting is a handy option for those who need laptops or tablets for study. You get to choose the laptop or tablet you like, plus you can bundle other related items that you or your kids need, such as a phone.

Your child will always be working with the latest - getting more than 3 years out of a laptop is rare these days. Rent it instead and then upgrade\*.

Plus, if something goes wrong with the goods, you're covered. You can loan a similar model from us under the FlexiCare Program, while the rented goods are being repaired. In most cases if they're stolen, accidentally lost or accidentally damaged, we'll replace them.

#### The benefits of renting for education

- \* No cash needed upfront.
- \* Upgrade the goods as technology changes.
- \* Choose a cost-effective rental term of 12, 24 or 36 months.
- \* Pay one, fixed rental amount per month.
- \* At the end of your term, you can simply return the goods, make an offer to purchase them, or by paying 1 extra monthly payment, 'double time' the term#, where you can continue using the goods with the benefits of the FlexiCare Program for the extended term.

\*See in-store for details
