

2024 ACS - Primary Tennis Trials

Friday 6th December 2024

ACS Tennis Trials Convenors: Mitch Power & Heidi Hardaker

Team Manager: Jared Flower

General Information:

1. All competitors must arrive at the venue by 9.00am
2. Games start at 9:30am sharp
3. Canteen facilities are not available therefore please ensure children have full packed lunch and plenty of water throughout the day.
4. Students must supply their own equipment.
5. First Aid is available.
6. Use sunscreen, drink fluids and eat your snacks between games as there is no set lunch break.
7. All enquiries should be directed to Heidi Hardaker.

Format of Play:

- Today is a **TRIAL**, not a tournament, where 3 girls and 3 boys will be selected in the Armidale Diocesan team. You will not play the same person twice today which means every game counts towards the end result.
- A Round Robin will be played in the morning where the top 2 finishers in each pool for the boys will progress to the semi-finals. The girls will not play off for the top 3 positions, these will be determined by the games throughout the day.
- Pools and number allocation could change due to last-minute withdrawals.
- All matches will be played first to 4. Tie break 3 all. This tiebreaker is played first to 7, the advantage of 2.
- The total pool points will be determined by the number of sets and games won. If a draw, we will look at when those players versed each other. Therefore every game counts.
- Players are to umpire themselves so you are expected to call the score out loud. If unhappy with the scoring you are to put your racquet down on the court and call for one of the convenors to assist.
- Both players are to report **TOGETHER** the score to the Convener/Scorekeeper inside the clubhouse **IMMEDIATELY** after the game.
- Remember the Code of Conduct you agreed to and appreciate the time span we have in running these trials.
- The format and order of play will be followed if the weather allows it. The Convenor can shorten matches or change the format if time is a factor.
