

Greater Shepparton Secondary College

Now taking enrolments

We offer... *Greater Facilities*

We are a secondary college with teaching and learning spaces second-to-none in Victoria and across the country

Josh
Year 12

I'm studying VCE Music and I love the music spaces and the individual rooms for private practising

Gentile
Year 7

I like the opportunities we have here. At primary school the only language I could do was Italian

Cody
Year 7

The school is so brand new. I love the gym for all its space to play basketball

Aline
Year 7

There's so many subjects to choose from - my favourites are PE, language and visual arts

GREATER **SHEPPARTON**
SECONDARY COLLEGE

Greater Choice

Our college is custom-built to cater for the full suite of senior curriculum and an unprecedented range of subject choices

Greater Care

With all our big school advantages, we retain a 'small school' atmosphere with our students having a House to call 'home'

Greater Pathways

Our college caters for opportunity – our Careers Team manage industry and education partnerships, apprenticeships and guidance for students

Greater Together

Our college brings together our teaching talents and school leaders as one, dedicated to delivering excellence in education

Merve
Year 12

I like the support we get from our peers and leaders – if we have an issue we can always get their backing

Maddison
Year 7

It doesn't feel that different to primary school - there are heaps of people I know all over the college

Mimi
Year 7

The school has a lot of space to explore and it doesn't feel crowded at all

Reyhaneh
Year 10

I find the study booths very convenient and quiet for catching up on school work
