Around the Grounds

6A

The boys had probably their best game of the season. It started off with a really tight game where we went one up one nil up. Thanks to Campbell. After having a really strong first half, the boys were full of confidence and went out there and put the game to bed myself and Noah are really proud to know that this year six group have gone three games undefeated after having a rough start.

6B

The boys came out firing this week with our strongest team all season. Unfortunately we just didn't have an actual goalkeeper this week therefore the unlucky result of a draw. On another day we would've won by many but we ended up unlucky again. With a strong performance from Gun creating multiple chances running down the wing and cutting it back, we hit the post three or four times. Unfortunately we came away with a 3-3 draw after coming back from being down the whole game. After a game like that, the boys are keen to finish off the season on a high hopefully winning the next two games.

6C

Against the St Pat's 6B team, Ashgrove started strongly creating many opportunities in a dominant first half display. Some inspired team attacking raids saw a number of 'near misses' as our shots on goal went just wide of the posts or were saved by the opposition goalkeeper. After numerous attempts, Ashgrove finally scored the opening goal just before half time, when Eli latched onto a loose ball inside the 6-yard box, putting the ball into the back of the net.

The second half was again dominated by Ashgrove until the final 5-10 minutes of the match. It was during this time that the momentum had swung in St Pat's favour, and the Ashgrove defensive unit was heavily tested. The backline of Yevin, James, Harrison H, and Ollie deserve credit for turning away the fast-finishing opposition and, ultimately, helping Ashgrove secure a 1-0 victory.

6 Gold

Unfortunate 4-1 loss for the boys of 6 gold today. None the less the boys showed an absolute killer attitude from start to finish, the lads have showed what they have learned in training with communication coming in when constructing plays from the back. Good job boys!

6 White

In a challenging match against Padua, the 6 White Marist team fell to a 7-1 defeat. Padua struck first, but Marist quickly equalised, showcasing early promise. However, Padua's superior skill and coordination soon took over, leaving Marist trailing by halftime. In the second half, Padua's relentless offense overwhelmed Marist, adding several more goals. Despite the heavy loss, Marist's initial response and effort highlighted their potential. This match serves as a learning experience as they look to improve and come back stronger in future games.

5A

Tough loss to swallow for the 5A's as they go down in a nail biter at Curlew Park. The boys threw everything at Pats but just couldn't find the back of the net. MCA managed to force 8 corners in the first half but failed to convert any into goals. The score at half time locked at 0-0.

In a thrilling start to the second half Pats cleared off their own line twice in 10 mins as Marist did all they could to score the opening goal. But in the 39th minute Pats won the ball in the midfield and were clinical on the counterattack to score with only a minute of play left. Marist unable to respond, going down in a 1-0 loss.

Despite this there were a number of honourable performances right across the pitch. The standout being Josh George. Josh not only ran enough for 2 players but consistently won the ball back on his right edge to start off the marist attack. Well done Josh.

5B

The Marist 5Bs delivered an unforgettable performance this weekend, overwhelming St. Pats with a stunning 10-0 victory. The synergy and determination of each player on the field was exemplary. A true Marist performance if I've ever seen one!

Right from the kickoff, Marist established their dominance. Orlando quickly set the tone with a brilliant goal, exploiting a gap in St. Pat's defence to give the 5Bs a 1-0 lead. The chips were stacking up for Marist, with Tobey (x2), Sawyer, Tom Cramp, and Orlando (again) all scoring in the first half. The scoreline was truly demonstrative of our offensive prowess and utter dominance. It was clear our fluid passing and relentless pressure was simply too much for the St. Pat's defensive line to handle.

The second half continued in the same vein, with Marist showing no signs of letting up. Tom Cramp, Tobey, Orlando and Max all added to our tally, marking a deserved 10-0 win. This scoreline is testament to Marist's superiority on Saturday morning.

Special mention to Orlando Kelly and Tobey Patricks for their hat-tricks! Tobey's clinical finishing and sharp vision alongside Orlando's silky dribbling and sharp attacking instincts were a joy to watch. Their combined six goals played a pivotal role in Marist's overwhelming victory. Well done, Orlando and Tobey – your hard work and determination are truly inspiring!

Watching the team play with such confidence and cohesion was inspiring. The positive energy and support on the field were infectious, setting a high standard for the matches to come. Reaghan and I are eagerly looking forward to seeing the boys in action again next Saturday, ready for another exciting display of Marist football!

5C

Today was one of those matches where the coach's life is very easy. Goals galore and a clean sheet in a game where there were positives all around. Once again, for a young man who is having a superb season, Man of the Match Otis Mulhal pulled strings so effectively you would think he was Otis Redding. Honorable mentions for Will Nolan and Jackson Real. It is also worth to mention we had no subs and the whole team worked hard even even when St Pat's had 10 players on the field. Well done lads.

5D Black

Another comprehensive victory by the powerful 5D Black. What was pleasing about today's game was to see all players trying new skills and challenging themselves to become better players. In particular, Archie Winterflood and Leighton Mahoney had their best games this season.

5D Gold

A very positive game from the 5 Gold this week with another dominant victory. With the first quarter having a slow pace with few goals, the boys picked up their team play and displayed smart passing plays that led to multiple opportunities. The strong link up between Jake and Viaan, along with impenetrable defence secured the win.

5D White

The boys put on show a dominant attacking display, utilising our width and providing many opportunities for our finishers up front. The patience of our defence is to be commended who held their line despite not much ball coming their way until late in the second half where Iona's shots were saved by Chandler Forrest - who demonstrated his skill and versatility, filling in both in offence and defence.

5 Green

A very well played game between these two teams. 5 Green started off strong, maintaining a solid standard of play throughout. Jack Anderson and Vincenzo Nucifora scored our goals, with good defensive skills from Ned Hallo and Ned O'Farrell. Quinn Watson prevented many goals being scored against us. The best played match from the team thus far. Well done 5 Green.

5 Blue

5 Blue's game last Saturday against St Laurence's showcased a perfect blend of skill and determination, culminating in a 5-0 victory for Marist. The boys exhibited exceptional class through their synergy, playing cohesively and demonstrating a clear understanding of their roles and game strategy. Our strength in both defence and attack allowed us to dominate possession and keep the opposition scoreless. While all the boys should be proud of their performance, special recognition goes to Henry Broadfoot and Wilbur D'Arcy as our Men of the Match. Their persistence with the ball was instrumental in maintaining control of the game. Congratulations boys; let's keep up the excellent work as we prepare for our penultimate game of the season.
