The Writing Competition

There are great prizes to be won in this year's annual Living Stories Western Sydney Writing Prize and you could be part of it. All you need to do is get creative and pen your response to the prompt..."Only I Can Say..."

Click [here](#) for all entry and eligibility details. Closes 5 May.

The Creative Writing Workshops

For that extra edge, book into one of our creative writing workshops delivered by established creative writers from Western Sydney.

The Living Stories workshops are free and go for 90-minutes. They will help improve your craft in short story and poetry and generate ideas to create a piece of writing for the Living Stories Writing Prize.

Bookings are essential - booking links contain more information and can be found below.

When registering, please make sure you are booking into the correct workshop for your age range.

If you subsequently find you can't make it - we know life happens - please cancel via Eventbrite as this will free up your spot for someone else. Places in these workshops are limited.
