

I just wanted to say how impressed I am with how quickly and effectively the remote learning has been set up.

I can only imagine how much extra work this has been for everyone and I'm sure not everyone is happy, but I just wanted you to know I think the teachers have all done/are doing a great job.

Please pass on my thanks to them all.

A huge thank you to you  
and all the staff at St  
Norberts for working so  
hard during this  
challenging time and  
keeping our kids safe and  
informed. Take care and  
hopefully you'll enjoy a  
well earned break soon.
