ROCKETEERS

A message from your Coordinator

Over the last few weeks, we celebrated Christmas in July, we had a special visitor come back all the way from the north pole can you guess who? It was.... CHIP! The children were over the moon when they saw chip sitting in the hot air balloon in the room. The children have made Christmas tree, cookie jars, paper chain, snowflakes and eating yummy Christmas cookies.

In the second week the children popped on their safety goggles and lab coats got ready for science week they have looked into paper planes, oil and water, germs, tornado, spider race, volcano and a lot more. Coming week, we have the NATIONAL SCIENCE WEEK the children can't wait to what Emma and Bo have planned.

Can we give a big welcome back to Emma who just got back from sun shining and not needing to rug up.

Reminder to all parents.

Start booking for rocketeers XI coming up in September.
Thank you

Activities coming up

National science week 14-18 August

Games

Make a booking

Join in the fun of Outside School Hours Care activities and experiences with Your OSHC and Rocketeers.
