

On May 26 2020 I will be going back to school.

We have all stayed home and worked together to stop the spread of the coronavirus.

Now the leaders of Victoria and Australia say it is safe for kids to start learning at school again.

Most things will be the same at school. It will be just like before.

There will be some new rules that are there to continue to keep everyone safe and healthy.

This will be different, but I will be okay.

We all need to work together and keep everyone safe and healthy.

Some new rules might include:

My teachers will tell me what the new rules are and remind me often. They are there to help me learn.

They want everyone to be safe and healthy.

It will be good to get organised for school the night before I start back at school, so I will be relaxed and ready for school. I could pack my bag with all the things I will need like my books, drink bottle and pencil case.

I can talk with my mum and dad about our school day routine so I am prepared.

If I feel a bit worried from time to time or have any questions, I can talk to my teacher or my family.

WE'RE ALL IN

THIS TOGETHER

YOU'VE GOT THIS!

I will be glad to be back at school learning.

It might be a little different but it's a good different and that is okay.
