

Come and join our family!

Scenic World is a third-generation family business that is passionate about sharing and promoting the Blue Mountains with the World. With a commitment to ensuring we always evolve; Scenic World strives to deliver unforgettable and world-class experiences to our visitors.

We are on the hunt for exceptional casuals to join our pool for the summer school holidays who are outgoing, proactive and love to have fun!

Our casuals are responsible for providing excellent customer service and ensuring that all visitors to Scenic World are made to feel welcome from the moment they step foot on site. You could be working in our Rides Team, Tickets Team, Retail Team, Kitchen or Food and Beverage team. You will be responsible for providing our guests with instructions on where to go, what to do and what to expect. It's our intention that regardless of how busy Scenic World becomes, we always have staff on hand to ensure each visitor has an exceptional experience during their visit here.

For our casuals, there is an expectation that you will have strong availability to work during school holidays and public holidays and will be available to work at short notice.
