

It was an absolute pleasure walking back into your school grounds again yesterday. We were met with happy smiley faces. We have enjoyed getting back into the kitchen, helping lighten your load a little by providing your children with fresh and delicious lunches.

For those of you already using our hot lunch delivery service, thank you! For those families yet to update your child's 2025 classroom or those families needing to set up an account, please see details below.

Please remember when lunch items are added into 'the cart' you must 'check out to pay' otherwise we do not receive the order.
