VICTORIA, 2024

MONDAY 28 OCTOBER #35

## **Food Scientist Virtual Work Experience**

Have you ever wondered about the science behind food? In this Virtual Work Experience, you'll discover what a Food Scientist at a gelato factory does! Overseeing all of Messina's delicious gelato is a special type of food scientist, known as a Quality Assurance (QA) professional, with a background in Chemical Engineering (Food Engineering).

## **How To Handle Fear About the Future**

During exams and towards the end of school, it's normal to think about the future. On one hand, it can be really exciting. On the other, it can be straight up daunting. Check out Reach Out's strategies for coping with worries about the future and refocusing your energy on the here and now.

## **Follow Your Dreams to Find Your Ideal Job**

How did shy Polish immigrant kid Karl Kruszelnicki evolve into the fabulously eccentric Dr Karl? Before he became a clever scientific storyteller, he ambled through a convoluted career until realising that it's okay to not take a linear path through life, and that by following your curiosity and your passions, you can bend the universe to your liking.
